

Week 01:

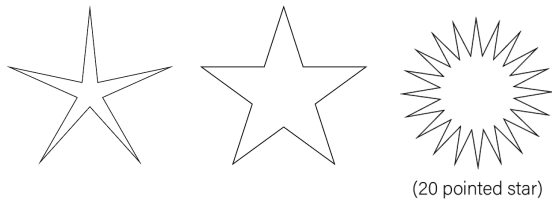

Watch: "Walkthrough setup" (2m 15s) and "Walkthrough" (4m 5s).

Make: After setting up Illustrator properly, using the tools demonstrated in the "Walkthrough" video (4m 5s), make this jeep icon somewhere in the space to the right:

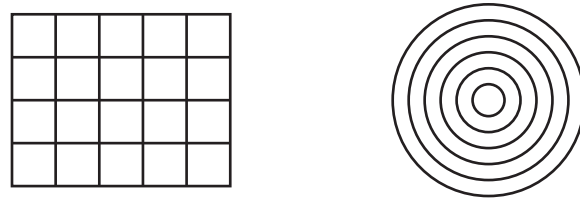

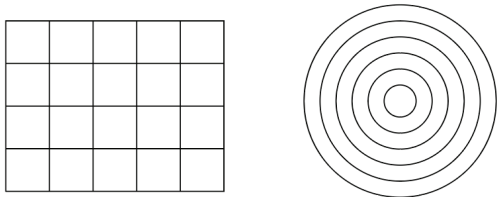

Watch: "Drawing Polygons and Stars"
(3m 43s)

Make: Using the star tool, draw a star that matches these shapes:

Watch: "Drawing with the Grid tools"
(2m 27s)

Make: Using the grid tool, draw a rectangular grid and a radial grid to match these examples:

Watch: "The Direct Selection Tool"
(3m 36s)

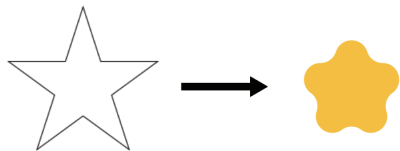

Make:

1. Copy and paste a star from the last page. Using the edit dropdown menu above, select, copy, and paste one of the three stars you made on the last page. Place it in the space to the right.

2. Use the direct selection tool  (A) to change the sharp corners to round smooth corners.

3. Fill the star with a color by selecting the star and double clicking on the  at the bottom of the tool panel.

The final should look something like the flower on the right:

Icon Activity

Create a series of 5 simple icons using the tools you have learned this week somewhere on this page.

(You may include the jeep icon you created as one of the 5)

Suggestions for possible icons:

Stop Sign, Car, Boat, Plane, Scooter, Drink Cup w/straw, Hamburger, Moon w/stars, Clouds, Rain Drops, etc.
